Coyote Rising I think that coyote rising is a really good book. Like I said in my other review, this series is really cool because of the idea and that all this could possibly happen. I think coyote rising is cool because they used the newest technology to travel that far, and they now have to use very primitive ways to survive on a new planet like coyote. Coyote Rising (Coyote Trilogy, #2) by Allen M. Steele COYOTE RISING is the second book in Steele's "Coyote" trilogy. group of interstellar colonists hijack a prototype starship named Alabama and flee a right-wing dictatorship to settle on the distant planet Coyote. Coyote is a harsh world with long and bitter winters and dangerous wildlife. Coyote Rising: A Novel of Interstellar Revolution ... Where Coyote was a book about man's initial thrust to colonize another planet, Rising is more of a political history of the problems that arise in a new colony. Not quite as hard sci-fi filled with the unknown as the first, but still an engaging read. My biggest gripe is that Steele writes in circles.
