pdf free maple guides manual pdf pdf file

Maple Guides Maple Guide is designed to help players navigate through quests and hunting fields. The Maple Guide UI appears in the upper left corner of the game window. Different recommended field buttons will appear based on the character's level. Please note that some recommended fields are only accessible only when you have related quests completed. How does Maple Guide work? - MapleStory The Maple Guide is a system that serves to recommend training areas, as well as bosses, for players within a certain level range. You can use this system to teleport to areas near your level, which can be used to access certain other content, such as bosses. You can gain Content Map Stamps for each area above Level 30, which will allow you to teleport to that area whenever you want, even when ...
