along with applications and nontechnical analyses of the legal system and antitrust laws. Industrial Organization: Theory and Applications by Oz Shy Industrial Organization : Theory and Applications by Oz Shy (1996, Paperback) The lowest-priced brand-new, unused, unopened, undamaged item in its original packaging (where packaging is applicable). Industrial Organization : Theory and Applications by Oz ... Industrial organization. Oz Shy. This upper-level undergraduate text provides an introduction to industrial organization theory along with applications and nontechnical analyses of the legal system and antitrust laws. Using the modern approach but without emphasizing the mathematical generality inherent in many of the arguments, it bridges the gap between existing nontheoretical texts written for undergraduates and highly technical texts written for graduate students.
