Humphries ... His The Piano Handbook: A Complete Guide for Mastering Piano takes a more classical-repertoire approach to keyboard instruction, and includes more information on the history of keyboard instruments. This book is fantastic for the late elementary/intermediate (I'm not advanced, so I won't stumble into conjecture) pianist who is looking for a non-classical-repertoire approach to developing keyboard technique and musical vocabulary. Amazon.com: Customer reviews: The Piano Improvisation Handbook This book is intended to introduce keyboard players to improvisation in styles that derive primarily from European Classical music. The purpose is to allow them to create meaningful, expressive music using relatively simple materials, often those they have already learned in harmony courses, or are familiar with from pieces they have played.
